Owners Message

Hello Force Families and Friends! We hope everyone had a great summer! We are very excited about the upcoming year. We have made many changes, not only to the facility, but also to the structure of our programs in hopes to offer you & your child a better experience here at Force Gymnastics! Our Force Staff is excited to begin our fall session, see all our current families back as well as get to know our new families.

As owners we strive to make sure all our staff follows our Mission Statement which is "To build self-confidence, educate and enlighten students through creativity, discipline and to raise the child's appreciation for the importance of physical activity. It is our desire to motivate youth with a spirit to succeed in life and sports. We want to be a center that will provide positive and diverse gymnastics services for children in a safe and rewarding atmosphere through the delivery of quality programs" . We guide our staff to believe in our philosophy and that is "Force Gymnastics believes every child is a precious gift. Our goal is to see that every child who participates in our programs receives the same quality instruction regardless of their ability. Accomplishing this ensures that each child will feel as special as they truly are." We will always do our best to help Force Gymnastics continue to be a safe & fun environment for learning.

Thank you and we look forward to the Fall Season~
Tonya & Eric Owners of Force Gymnastics

Recreational News

Hello Force Families~ I want to give a big Shout Out to all our dedicated families who braved "Mother Nature's" unpredictability this summer so that your children could continue to grow and develop their love of Gymnastics. Summer has come to a close and with Fall weather quickly approaching and children have gone back to school, we are excited to roll out our 2018-19 Gymnastic Season & new fall schedule. Please check out our website for all the upcoming events. We are enjoying all the new changes both aesthetically and functionally. We here at Force are looking forward to seeing all your children back in our classes for the New Season.

Thank You~ ***Rita Williamson Recreational Director***
