

Covid-19 Update

WELCOME BACK TO FORCE GYMNASTICS! WE HAVE MISSED YOU!

After a successful summer here at Force, we are excited to keep the momentum going this Fall! Our staff cannot wait to get the 2020-2021 season going with our quality gymnastics program for your children. We continue to clean, disinfect, and upgrade our facility to stay safe during this time. To enroll for the Fall, check out our new 2020-2021 schedule on our website.

Our “NEW Normal” has shown to work very well over the summer, having the health and safety of your children and our staff as a top priority. Adhering to the “safe distancing” requirements, we are asking for your cooperation and patience when joining class this Fall.

Staff will be getting a temperature check and wearing masks upon entering the building. In addition, hand sanitizing stations are available throughout the gym for students and coaches. We have adjusted our class times to allow for easy class flow and to allow time for cleaning and disinfecting in between classes.

THE FOLLOWING GUIDELINES WILL BE IN EFFECT:

Only one parent should bring child(ren) to class. If possible, please do not have siblings accompany you.

All adults must wear a mask when entering the building. Children are not required to wear masks during classes. Please avoid bringing strollers into the gym.

With limited seating available, we are asking parents with children ages 6 and older to walk your child to the front door and return to your cars for the remainder of the class

Force staff will greet all students at the entrance area which is now our side door (formally Parkour/Ninja area). Temperature will be taken and hand sanitizer provided.

After class students will exit our old entrance door by the bathrooms for you to meet them for pick up.

If you have questions or concerns, please email (billing@forcegymnastics.com) or call (610-365-8303) if not urgent. This will alleviate unnecessary crowding in the lobby area.

If your child does not feel well, please do NOT bring them to class.

All class sizes will be limited to follow all safety guidelines.

All students must be ready for class upon arrival. Please have your child wear their leotard or shorts and t-shirt to the gym. Hair must be pulled up and off face in advance. Please bring a small backpack for your child to place their shoes. They should come with a labelled water bottle, as the water fountain is closed at this time.

Thank you for your continued support!

And please contact us with any questions or concerns.

Sincerely,
Force Gymnastics
